Author's Guidelines for Final Manuscript Submission

1. After your login, please select "Resubmission, Final manuscript submission, Proof corrections result" at the Top Menu.

IEEJ Paper Management System Top Menu Open New Work Window Please take care not to make duplicated processes when you use multiple work windows. Paper, Technical Note and Letter Submission Please select the Transaction or Journal you submit. Select [Note] If you submit your paper to Transactions on Electrical and Electronic Engineering, please select "TEEE". e.g. If you submit your paper in the area of Fundamentals and Materials to TEEE, please select TEEE A. **Information for Author about Submitted Papers** Select Resubmission, Final manuscript submission, Proof corrections result Select (1 paper(s)) Check or Late Personal Information Select Please select a menu of "Resubmission, Check or Update Your Final manuscript submission, Proof u) corrections result." Check or Update Your Specialty Area (choice from the list) Select **Review History** Select **Access History** Select **Change Password** Select Top Menu Logout THAD MENH

2. Please select the appropriate process, final manuscript submission or submission withdrawal of your paper, in the following list screen.

List of papers to be submitted

If you want to submit your manuscript, please press Submit button.

If you want to decline to resubmit and apply for withdrawing your paper, please press Withdraw button. Also, following field is displayed to all co-authors whose ID were registered in the column of Corresponding Author ID when the paper was submitted. In addition, please be aware that any replacement of papers and other documents would not be accepted after the submission. Please be sure that the corresponding author is responsible for this process.

If you have a special request from Program Committee or IEEJ Office, please submit your manuscript until the designated deadline.
