List of papers to review (For Reviewer)

Reviewers have a duty to keep the information obtained through its tasks confidential. Please continue your review work, only if you are under obligation to keep the information confidential.

Article 5.3, Details of Editorial Rules in Society (Cross-Society Rules I-I)

Reviewers shall treat the contents of papers under review as privileged information not to be disclosed to others before publication. Reviewers are not allowed to provide excessive research guidance and similar action in the review comments.

Please keep to the deadline described in the review request e-mail. And, reviewers who anticipate having difficulty meeting this deadline or who find that the paper topic is inappropriate to their expertise are urged to press Withdraw button.

Reviewer's duty is as follows

- The first page of the paper you are requested to review can be shown by pressing Cover Page button.
- When you accept to review, please press Accept button.
- After accepting to review, you can display the full text of the paper by pressing Paper button
- **Please keep to the deadline described in the review request e-mail or at the bottom. And, reviewers who anticipate having difficulty meeting this deadline or who find that the paper topic is inappropriate to their expertise are urged to press Withdraw button.**
- Further, when you enter the review result, please press Input button. Please refer to [Entry Method \(PDF\)](#) for reporting the review result.

Reviewers are required to complete the review within 1 month (2 weeks for Letter) of receipt of the e-mail. Please confirm the deadline described in the e-mail at the bottom.

If the Associate-Editor assigned the deadline separately for the special issue paper, please complete your review within the specified time frame.

If you want to display the first page of the paper, please click "Cover Page" button.

IEEJ ID	Turn	The date of the review request	Reviewing
12000178	1	26 Oct 2012	The full text of paper will be displayed after you accept to review. <input type="button" value="Cover Page"/>
Title	test paper submission		
Review Deadline	26 Nov 2012		
Special Issue	Transaction A General	Type of Submission	Paper
Author	Dr. ICHIRO EIBUMON	<input type="button" value="Withdraw"/> <input type="button" value="Accept"/>	You can input the result of review after you accept to review.

When you accept this review, please click "Accept" button. Please note that once you click this button, it will be disappeared.

When you decline this review, please click "Withdraw" button. Please note that once you click this button, an e-mail will be sent to the Associate-Editor automatically.

Please recommend an adequate reviewer to the Associate-Editor, if possible. You can confirm the contact information of the Associate-Editor in the e-mail to ask the review.

B. Registration of Review Result (First Round)

You can confirm a full text of the paper by clicking "Paper" button.

And then, please click "Input" button to register your review result.
