

JIASC2010

2010 Annual Conference of I.E.E. of Japan, Industry Applications Society
August 24 (Tue.) – August 26 (Thu.) 2010 Tokyo, Japan

First Call For Papers

The 24th annual conference of the Industry Applications Society of the Institute of Electrical Engineers of Japan will be held in Tokyo from August 24th to 26th, 2010. The conference provides Regular sessions (Oral and Poster session), Young engineer Poster Competition (YPC), Special lecture, Banquet, Commercial exhibition, and Technical tour. The official language is in Japanese, however the papers and presentations in English will be acceptable in the regular sessions.

Contributions of technical papers in the following areas are invited.

1. Power Electronics	2. Industrial System	3. Electric Machineries
11. Power Semiconductor devices and Applications 12. Power Conversion and Control 13. Power Supplies 14. AC and DC Drive Control 15. Var and Harmonics Compensation 16. Metal and General Industries	21. Industrial Instrumentation and Control 22. Production Facility Control 23. Information System for Industry 24. Public Plant Engineering 25. Electric Vehicles 26. Intelligent Transport System	31. Rotating Machines 32. Machine Characteristics 33. Linear Drives 34. Magnetic Levitation and Magnetic Bearings 35. Static Power Apparatus 36. Applied Superconductivity 37. Transportation and Electric Railway

Paper format: 4-page or 6-page, A4-size paper including figures and tables

*) 6-page manuscript is acceptable only when it is submitted to Transactions of I.E.E. of Japan.

Deadline for paper submission is May 14, 2010 (Tentative)

JIASC2010 Secretariat

Department of Electrical Engineering
Shibaura Institute of Technology
