

Instructions for Final submission

1. Please Use a docx/cls file for final submission.

Please delete the page number and the abbreviated titles on the second and subsequent pages. Authors using LaTeX can generate a pdf file with these deleted by changing the class file to "ieej-e-samcon-final".

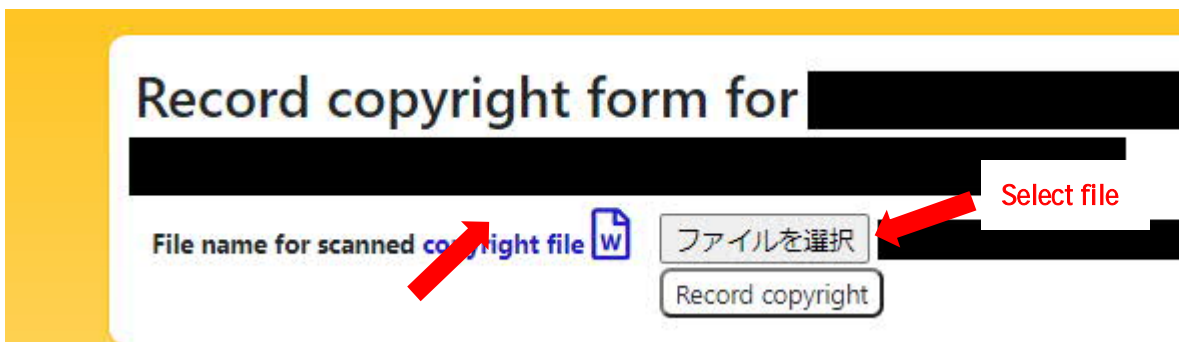

We recommend to download and use a new format on the SAMCON2021 web page.

2. Upload copyright form

Before uploading the final manuscript, please upload the copyright for your paper from your paper page.
