EDAS Conference and Journal Management System

Click on the menu items above to submit and review papers.

3. Find “SAMCON 2027” from the list of “Conferences accepting submissions”.

EDAS

[Home](#) [Submit paper](#) [Travel grants](#) [Register](#) [My...](#) [Help](#)

Conferences accepting submissions

Dates listed are deadlines for registering papers for the track or sub-conference. If tracks or subconferences have several different deadlines, the range is shown. All deadlines are Asia/Tc expired.

Search

Area	Conference	Name
Communications, Computer networks, Electrical and computer engineering	JSAC-xURLLCG-23	IEEE JSAC Special Issue on xURLLC in 6G: Next Generation Ultra-Reliable and Low-Latency Communications
Communications, Computer networks - sensor, Entrepreneurship and innovation, Radio communications, Wireless communications	WPWC-22	2022 25th International Symposium on Wireless Personal Multimedia Communications (WPWC)
Wireless communications	NGNA-2022	2022 Workshop on Next Generation Networks and Applications
Communications, Computer networks, Information Systems, Satellite and space communications, Wireless communications	MILCOM 2022	MILCOM 2022 - 2022 IEEE Military Communications Conference (MILCOM)
Computing & Communications	MILCOM 2022 - 5G Workshop	MILCOM 2022 - 5G Military Communications: Open Modular Architectures, Testbeds, and Cybersecurity
Electrical and computer engineering	IEEE DTPI 2022	2022 IEEE 2nd International Conference on Digital Twins and Parallel Intelligence (DTPI)
Computing & Communications	IEEE UIC 2022	The 2022 IEEE International Conference on Ubiquitous Intelligence and Computing

4. Click “+” (Add new paper) for “SAMCON 2027”

Control systems, Mechatronics, Robotics, Sensors	SAMCON 2027	The 13th IEEE International Workshop on Sensing, Actuation, Motion Control, and Optimization 2027		Takayama, Japan Mar 16, 2027	Oct.15	
--	--------------------	---	---	---------------------------------	--------	---

Otherwise, directly access from the following URL.

5. Select a track you want to submit a paper.

SAMCON 2027	<i>.II.1: Sensing and Its Applications</i>	This is the track for submission of "oral" manuscripts in the area of sensing and its applications.
SAMCON 2027	<i>.II.2: Actuation and Its Applications</i>	This is the track for submission of "oral" manuscripts in the area of actuation and its applications.
SAMCON 2027	<i>.II.3: Control Theory and Its Applications</i>	This is the track for submission of "oral" manuscripts in the area of control theory and its applications.
SAMCON 2027	<i>.II.4: Automotive Systems</i>	This is the track for submission of "oral" manuscripts in the area of automotive systems.
SAMCON 2027	<i>.II.5: Robotics and Mechatronics</i>	This is the track for submission of "oral" manuscripts in the area of robotics and mechatronics.
SAMCON 2027	<i>.II.6: Human Interaction</i>	This is the track for submission of "oral" manuscripts in the area of human interaction.

6. Register your paper's information

Title of paper

Keyword 1 (required)

Keyword 2 (required)

Keyword 3 (required)

Keyword 4 (optional)

Keyword 5 (optional)

Fill in presenter name

Fill in contact person (name and email)

☐ Is presenter under 35 years old?

Paper abstract (between 10 and 200 words) [length not checked, since you are chair]

Please select a total of between 0 and 3 topics.

Sensing and Its Applications (choose 1)

- ☐ Sensors and Advanced Sensing Techniques
- ☐ Signal Processing Techniques
- ☐ Diagnosis and Monitoring Techniques
- ☐ Vision Systems
- ☐ Sensor Fusion and Sensor Network

☐ chair only: Ignore paper title and abstract problems

☒ Add yourself as author

Register paper

7. Select a PDF file of your paper and upload the file from “**Review manuscript**”

Click the icon for upload (Example of SAMCON 2027)

Author name Author affiliation (edit for paper) Author email Email Delete

Authors

Full paper title

Conference and track Test The 13th IEEE International Workshop on Sensing, Actuation, Motion Control, and Optimization 2027 - TT1: Sensing and Its Applications [register by](#)

Abstract With the increasing use of collaborative robots, force control for contact detection and impact...

Keywords

Topics Sensing and Its Applications Sensors and Advanced Sensing Techniques.

Conference-specific Fill in presenter name: Kenta Nagano
Fill in contact person (name and email):
Is presenter under 35 years old? ☒

Notes

Personal notes

Roles You are chair for this conference.
You are the creator and an author for this paper.

Status pending

Review manuscript Final manuscript

up to 8 pages up to 8 pages

Select a PDF file of your paper and upload the file (Example of SAMCON 2027)

To convert other file formats, such as Microsoft Word, to PDF, you can use online services. Examples include Adobe, PDFonline or FreePDFConvert. There is PrimoPDF.

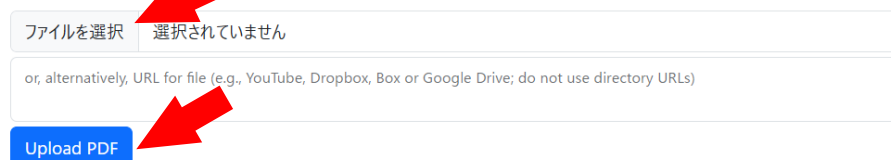

You can now upload your review manuscript for

You can upload PDF files, formatted as US letter size (8.5 by 11 inches) or A4 size (210 x 297 mm).

The file cannot be larger than 8 MB.

The review manuscript you are uploading should not be longer than 8 pages (type).
