INTERNATIONAL POWER ELECTRONICS CONFERENCE –ECCE ASIA-

IPEC-Sapporo 2010

15 June, 2009

Greetings

The industry Applications Society of the Institute of Electrical Engineers of Japan is pleased to announce that the international Power Electronics Conference –ECCE Asia- (IPEC-Sapporo 2010) will meet June 21st through 24th, 2010 at Sapporo Convention Center in Sapporo, Japan.

IPEC aims to provide an international forum for research and discussion on the latest research findings in the field of power electronics, and by so doing widely contributes to the further development of the field.

Since its inauguration in 1983, the conference has been held for 5 times; in 1990, 1995, 2000 and 2005; making IPEC-Sapporo 2010 the 6th holding with 600 participants from around the world anticipated.

Taking this opportunity of the conference, we, would like to offer IPEC-Sapporo 2010 through package sponsorship programs for related industries. Each package contains extensive logo exposure at the conference material, official website and announcement slides in conference rooms.

IPEC-Sapporo 2010 Official Website opened last March. With submission of extended summary closes on November 16, access counts to the website is expected to increase. We believe that it will be a perfect opportunity for you in disseminating your company profiles, exchanging latest information, and further promoting your products and services, to the researchers across the globe.

We would like to ask for your support and cooperation in order to make the IPEC-Sapporo 2010 successful with your understanding to the significance of this conference.
