## Welcome to IPEC-Sapporo 2010

The Industry Applications Society of the Institute of Electrical Engineers of Japan is pleased to announce that the International Power Electronics Conference -ECCE Asia- (IPEC-Sapporo 2010) will meet June 21st through 24th, 2010 at Sapporo Convention Center in Sapporo, Japan.

This international conference is technically co-sponsored by IEEE Industry Applications Society and IEEE Power Electronics Society. As the sixth IPEC since 1983, the Sapporo Conference will provide a unique opportunity for engineers, researchers and academicians to assemble in a beautiful northern city in Hokkaido and exchange the latest information on power electronics, motor drives, motion control and related subjects.

Taking this opportunity, we would like to welcome corporations and organizations that make profound dedication to the development in such fields to share an glimpse of their work at the Conference in a form of booth exhibition.

We sincerely hope to have your participation and cooperation in convening IPEC-Sapporo 2010 coming June.

IPEC-Sapporo2010 Organizing Committee  
Chair Hirofumi AKAGI
