EXHIBITION PROSPECTUS

May, 2021

The Industry Applications Society of the Institute of Electrical Engineers of Japan is pleased to announce that the 2022 International Power Electronics Conference -ECCE Asia- (IPEC-Himeji 2022 –ECCE Asia-) will meet May 15th through 19th, 2022 at Arcrea HIMEJI Hyogo, Japan.

IPEC aims to provide an international forum for research and discussion on the latest research findings in the field of power electronics, and by so doing widely contributes to the further development of the field.

Since its inauguration in 1983, the conference has been held for 7 times; in 1990, 1995, 2000, 2005, 2010, 2014 and 2018; making IPEC-Himeji 2022 the 9th holding with 800 participants from around the world anticipated.

Taking this opportunity, we would like to welcome corporations and organizations that make profound dedication to the development in power electronics, motor drives, motion control and related subjects to share a glimpse of their work at the Conference in a form of booth exhibition.

We sincerely hope to have your participation and cooperation in convening IPEC-Himeji 2022 coming May.
